

[Defined Contribution Plan Governance](#)

Governance.

Documenting your investment committee decisions isn't exactly exciting - but it is necessary if you want to avoid problems down the road. Phil Edwards of Curcio Webb shares why it's so important for investment committees for [defined contribution plans](#) need to spend time documenting their decisions.

This video is part of a series on Defined Contribution Plans.

This video is the second in our series, [Managing Defined Contribution Plans](#).
